LIFE IN 6 WORDS

The G.O.S.P.E.L. Giving life it's meaning in 6 Words

What is the meaning of Life?

That's a big question. Why are we here? Where did we come from?

What is the point of us? These are all big questions. Have you ever thought about any of these, it not the typical topic at the lunch table at school... or is it.

What do you talk about at the lunch table, think over some of the conversations that you have had with your friends over the past few days. Have you talked about who likes who, who is with each other? Have you talked about who is treating people with crappy attitudes? Have you talked about the mean people and why they are mean? What about your teachers ever talk about them and why you like them or why you think they are so strange? The conversations that you have at the lunch table are the conversations that make the world go around. They all come from the same

place... We want to know that we matter and that we have a purpose. The topics are different at every table, they are different with every social class that you find in middle school, but they all come from the same place. We all want to know why, and how come. Life in 6 Words seeks to answer the deep questions that we all have in us. Why are we here? Why do we try and long to be good? How come being good is so hard? Who can help us understand everything? And what do I have to do to know that I am Loved and that I belong? The G.O.S.P.E.L. is the answer to all the deep questions that we have but that we rarely speak out to anyone.

To understand how to answer these questions we really only need to be honest with ourselves and listen to what the words say to us about life.

SINS CANNOT BE REMOVED BY GOOD DEEDS.

PAYING THE PRICE FOR SIN, JESUS DIED AND ROSE AGAIN.

Tonight on our journey we will be looking at two words. Words that have meaning and confusion behind them. They are on our thoughts and in our brains but we don't really speak about them out loud all that much... It's like we need to know the truth but we don't want to know the truth, case we believe that the truth can't really be all that good. We have all been lied to for so long we don't believe that there is any real truth left.

Sins we can't fixe'm on our own

OUR SINS SEPARATE US FROM GOD.

*For all have sinned and fall short
of the glory of God (Romans 3:23).*

SINS CANNOT BE REMOVED BY
GOOD DEEDS.

*All of us have become like one who is unclean,
and all our righteous acts are like filthy rags
(Isaiah 64:6a).*

PAYING THE PRICE FOR SIN, JESUS
DIED AND ROSE AGAIN.

*But God demonstrates his own love for us in this:
While we were still sinners, Christ died for us
(Romans 5:8).*
